Описание:

A great opportunity to generate seasonal income with the four gites. Alternatively, it could serve as your primary residence alongside three independent gites. There is no heating system, but the property features a lovely 11m x 5.5m heated swimming pool and a compliant sanitation system. Set in a quiet village at the end of a small no-through lane. Close to the towns of Sauze-Entre-Bois and Chaunay with easy access to Poitiers airport. The property is ready to rent immediately although the gites would benefit from internal modernisation.
