Описание:	New development with stunning sea views!

This is a unique project with just 59 homes, featuring cozy 1-, 2-, and 3-bedroom layouts, designed for those who dream of living in a privileged setting. The spaces are created to offer a sense of calm, comfort, and connection with nature, with large terraces where sea and mountain views blend seamlessly with the blue Mediterranean horizon. Just 10 minutes from the sea, it offers the advantage of being close to both the beach and the mountains while enjoying the tranquility of a residential environment.

At the heart of the development is its vast garden and communal areas —a large green space to wander, relax, or stroll under the sun, enjoy the Mediterranean climate, unwind, and disconnect from the urban pace. The project also includes an infinity pool, ideal for watching sunsets over the sea, a gym, and communal areas designed for leisure and well-being, perfect for enjoying outdoor life all year round.

Each home includes a parking space and storage room, providing convenience and practicality from day one. The unique location and stunning Mediterranean views complete the experience: a home where the sea, nature, tranquility, and comfort come together to create a truly privileged living space.
