Описание:

If you are looking for a place to make your own in the heart of Olvera this could be the one for you .

Set on a friendly wide street , this three storey house is a solid proposition for a true blank canvas , needing a new kitchen fitting and the dressing that turns a house into a home this place offers , fabulous views form the large terrace , it is light , spacious and also has a back door , at the level of the kitchen , so very handy .

The double fronted facade is well presented and features two Juliet balconies . On the ground floor you have two reception rooms the first of which you enter directly into from the street , this space also has a balcony to the rear .

On the level below which lets out onto a traffic free alley , you have a fully tiled area which is plumbers ready for a kitchen to be fitted and a then a bathroom with half bath , loo and sink .

Back upstairs on the first floor there are two good sized bedrooms both with French doors opening to the street , then a final set of stairs takes you up to a laundry area and access to the roof terrace with the wonderful wide ranging views across the countryside and the village .

the property will need to have electric and water reconnected but it will make a fantastic home for someone wanting to invest some time and money into it , but poses no major issues in terms of its general condition and structure .
