Описание:

Located in the heart of Ribeira Brava, on Rua do Visconde, this building benefits from a prime location, within easy reach of shops, services, restaurants, and other amenities.

The property comprises two offices, a studio apartment, and two bathrooms, offering flexibility for different uses, both commercial and residential.

The two offices were renovated approximately five years ago and are in good condition. The studio apartment is habitable, although it would benefit from renovation and modernization.

Its central location, on one of the town's streets, makes this property an interesting opportunity for those looking for premises to establish their professional activity, generate rental income, or combine commercial and residential use.

An excellent investment opportunity in the center of Ribeira Brava, in a convenient and desirable location, close to all essential services and amenities. - REF: VSM020
