This spectacular villa is located at the entrance of the Villamartin golf course and is the landmark of the area. The beautiful palm garden borders directly on the golf course. The villa is built in the traditional Andalusian style. All rooms are built around a lovely patio with a beautiful gallery. On the ground floor there is the main entrance of the property. A large cast iron door gives access to the patio. From the patio one reaches all rooms like the large kitchen that opens to a spacious living room. On the other side of the patio you will find one of the 5 bedrooms, a bathroom and the heated indoor pool. A magnificent double staircase leads to the first floor where you find the 4 further large bedrooms each with a private bathroom. A staircase leads to the roof terrace of the villa. From the roof terrace you can enjoy the views. Directly behind the villa there is a huge summer kitchen. Alongside there is a large covered terrace situated, built in Arabic style. The villa has as well a huge covered parking for numerous vehicles. From all parts of the villa you look at the beautifully landscaped gardens. The villa has always served as the summer residence of a distinguished Spanish family. It could also perfectly be used as a luxury restaurant, a small hotel or a prestigious office building.
