### Açıklama:

Set of two houses T3, constituted as independent fractions but sold together. Both villas are constituted by basement, where we find a large hall of 150 m2, divisible in 2. At the ground level we will find living and dining room, kitchen and the three bedrooms being one of them a suite.

Villas share a large swimming pool and a beautiful mature garden. There is the possibility of acquiring a land adjacent to the property and that allows a construction of equal dimension, thus becoming a set of properties for tourist profitability with about 10 units.

Its quiet location is much sought after by international guests who prefer the modesty of a quieter area, but which is still a mere 15 minutes from the beach and the beautiful Ria Formosa.

Prepared to monetize from the moment of purchase!
