Comprising a main house that still has ornamental features on its facade that it will be possible to renovate, this house is attached with other similar properties, it has a patio with a stunning view.

On the other side of the street there is another old house with stone walls and a good-sized land, also with an unobstructed view of the surrounding mountains. Both houses need total reconstruction.

You can have your own vegetable garden and convert the plot into a dream garden. The access is on tarmac and in perfect condition.

Surrounded by quietness, but with some neighbors close by, it is Ideal for those who love rural life and who prefer to be in direct contact with nature as it is possible to enjoy and explore the surrounding trails or simply relax and enjoy the view.
