### Açıklama:

Enjoy people-watching in vibrant Vilamoura, one of the three corners of the Algarve's Golden Triangle, or admire the colorful architecture of the coastal town of Albufeira.

About 1500m from the sea with a particularly interesting system of viewpoints from the highest area of the intervention area with visual axes from where it is possible to see the sea and the coast line as well as the extensive rural landscape to the east and west and the development of the Algarve interior to the north

Plot of land for construction of 20 detached villas T3 T4 with swimming pool, with 16690 m2 of green spaces and with enormous potential for valorization.
