This development with vast green areas, low land occupation rates is an extremely safe area with fantastic walking areas, benefits from support facilities such as restaurants and sports facilities.

In environmental terms, there was a major concern to protect all the trees and species native to the area, being, therefore, one of the urbanizations with the largest green spot in the municipality of Albufeira.

WELCOME TO ALBUFEIRA

A gateway to the Algarve. With a long history, from a fishing village to tourism capital, Albufeira has grown in recent decades thanks to its famous beaches, the most beautiful in Europe, its excellent quality hotels and the friendliness of its people. - REF: OHP 001-229
