Açıklama:	

This modern semi-detached 3 bedroom villa just outside São Brás de Alportel has much to offer. The villa is to be completed in 2022 and consists of 3 bedrooms, two bathrooms, and a lovely spacious open plan kitchen living area. A luxurious garden and pool means it is suited for full time living or to be used as a holiday home.

The villa has a surface area of 168m2 making it extremely spacious for its 3 bedrooms. Each bedroom has floor to ceiling built in wardrobes and the master bedroom is fitted with a walk-in closet. For extra storage there is also a large floor to ceiling built-in wardrobe in the hallway.

The kitchen is equipped with top of the line appliances and boasts a pantry as well as a laundry room. In line with a more ecological mindset, the villa will fitted with solar panels and high quality aluminium windows are installed throughout with enteric shutters. A fire place and pre-installation of air-conditioning means the summers will be cool and winters nice and cosy.
