The house is at the corner with a garden on both sides, front and rear surrounding it to 3 winds.

The community of neighbors is only 10 neighbors and they share a swimming pool (located 20 meters from the house).

The house consists of 3 floors plus a basement parking and a patio - garden that surrounds the house.

On the ground floor, we find the American kitchen open to the living room of about 50m2 and with a double exit to the back patio with a retractable pergola and access to the communal pool, a hall (convertible into a guest bedroom), and a bathroom.

On the first floor, we find two bathrooms, a single room (currently enabled as an office) with a balcony, and three double bedrooms (two of which face the back and share a terrace of about 25 m2).

On the second floor, we find a large en suite room with a full bathroom and a private terrace solarium of about 40m2.

In the basement, we find parking with a capacity for two cars and 2 rooms currently enabled as a storage room (originally it was a parking lot with a capacity for four cars).
