UNIQUE ON CAP-FERRAT This beautiful new building of almost 600 sqm on a plot of nearly 4100 sqm was designed by the workshops of the famous French architect - Jean NOUVEL. Ideally oriented South-West, it enjoys the best sunshine and offers a beautiful view of the bay of Villefranche. On 4 levels, the villa is served by a lift from the garage for 6 cars. The living room, the dining room and the radically contemporary kitchen have a double ceiling height. The glass ceiling! Specially treated, of course, and can be hidden by special blinds.

Spacious 600m2 Design Villa for sale Saint Jean Cap Ferrat

Four bedrooms with private bathrooms of a more than comfortable size and enjoying panoramic sea views. An independant master bedroom with private pool (2.50 x 12.50 m). All the comforts that one can imagine are there - floor heating and air conditioning, a heated swimming pool (3.50 x 15.00 m), a wine cellar, a "smart house", video surveillance cameras, a large vegetable garden. The whole being very private and offering an excellent quality of life - the village with its shops, Marina and restaurants is only 10 minutes walk as well as the beach of Passable...
