The apartment is situated at the end of a quiet street, with a shared carport and private storeroom at street level and then steps up to the apartment on the first floor. Entrance to the property is through a gate into the open terrace that runs the width of the apartment with access from both the living room and bedroom. Accommodation comprises of a living/dining room with a feature fireplace and sliding doors that can separate the living area from the dining room. To the right there is a worktop level archway between the living area and the kitchen.
