Some real estate investment is more than just the purchase of a property or a plot of land, with La Gavina you are investing in a lifestyle!

Build your dream home by the sea in one of the most sought-after and secure locations on the Costa Brava, the prestigious residential domain of La Gavina in S'Agaro

This attractive plot with sea view is located in one of the best locations in the highly prized, gated domain of La Gavina, with lots of amenities and the beach on your doorstep.

The plot is close to the beach of Sa Conca and it extends over an area of more than 2400m2 offering the possibility to build a house of more than 600m2. Importantly - It is also possible to divide this land into two separate plots if required, to build two separate villas.

Although the building plot offers numerous design possibilities, a construction proposal that might interest any prospective buyer already exists, contact us for details.

The design is based on the architecture of the surrounding area and the types of luxury housing in the domain and the larger S'Agaro area. The plans include spacious gardens with terraces and a beautiful swimming pool, there is a wonderful main house with large windows that make the most of the stunning views, there is also a guest house. This plot offers real potential to make your dream family home!
