quite village with fantastic mountain panorama, 500 meters from the
road to Pamporovo, 6 km from Chepelare, 3 km from Pamporovo and 18 km
from Smolyan. Yard - 600 sq.m. House on two floors - built-up area 130
sq.m. First floor - 80 sq.m. Second floor - 50 sq.m. Barn - 30 sq.m.
Suitable for renting all year round, for ski lovers, working from home
and having a good time with friends and family in the most beautiful
and pure nature of the Rhodopes. The proximity of the ski slopes of
Pamporovo and Chepelare and the many tourist routes in the region make
the village a favorite place for many people and all properties in it
are convertible. The house is solid, stone, renovated, thermally
insulated, with a barn for storing wood, garden tools and other
things. The floor of the barn has a concrete slab and it is intended
to be converted into a separate studio with its own entrance, bathroom
and toilet. New electrical installation, new plumbing installation,
with central sewerage. Thick, oak front door, with wooden glazing on
the windows, solid wood doors and built-in wardrobes. Solid wood
kitchen fully equipped with dishwasher, kitchen sink waste grinder,
washing machine, gas stove with oven and hotplates. On the first floor
there is an entrance hall, an internal staircase to the barn with

wood, a boiler room, a bathroom with a toilet, a living room with a fireplace, a dining room and a kitchen. A corner for watching TV, furnished with soft furniture and a large, massive dining table for six people. In the room there is a staircase leading to the second floor, where there are three bedrooms with a bathroom and a toilet. The floors of the rooms have new flooring, the ceilings of all rooms are lined with boards in the Rhodope style, and the common areas have granite tiles. New sheet metal roof with snow retaining elements. Shed in front of the entrance of the house with a massive table and benches for 8 people, an outdoor stone sink and a barbecue for grilling delicious steaks and vegetables. The yard is fenced, with stone retaining walls, well and beautifully landscaped and flowered with decorative vegetation. In small beds, behind the house, surrounded by stone walls, wild strawberries, various herbs, St. John's wort, oregano, thyme, fennel, Balkan savory, sage, arugula, parsley, chives and, if desired, potatoes, carrots and beans grow. In the yard there is a large plum tree, blackcurrants and two refined hazelnuts. The house is heated with combined heating, working together and separately with two boilers - wood and electricity, aluminum radiators, which allow quick heating of the premises. A 200 liter boiler is connected and heated by the heating boiler. It is possible to start and adjust the heater remotely. Availability of straight water from two water sources - main water supply and own spring reservoir. Central sewage
