### Açıklama:

A neat renovated property on a small quiet street .

the ground floor comprises an open plan arrangement with a kitchen area and light bright lounge .

under the staircase there is a neat bathroom .

up stairs you have a spacious master bedroom with high sloping ceiling again this is very light and bright .  
Off the hall way there is a smaller second bedroom.

At the moment the house does not have outside space but the local authorities have previously approved a Small integrated terrace on the second floor , this would mean reducing the size of the master but well worth it as the views from this end of the house are great .

A perfect no worries holiday lock up and leave .

Floor Area: 50
