Açıklama:

This 6 and ½ acre parcel of land is located on the picturesque Durant's Golf Course just steps away from the Barbados Golf Club. Overlooking the 11th and 12th fairways the property offers a great potential for development with beautiful views, constant breezes and prime location.

Planning permission has been approved for the development and would allow anyone looking to develop this prime real estate into a 14 lots community or to be designed as a condominium development such as El Sol Sueno which have sold very well.

Ideally located within close proximity to many of Barbados's top spots and attractions such as Oistin's Bay Garden, Sheraton Mall, Grantley Adams International Airport and some of the best beaches in Barbados such as Miami Beach and The Crane Beach.

This one of the few remaining parcels of land left for development around the Barbados Golf Club and is a great investment opportunity for a developer.
