Açıklama:

Located in Vila Nova de Gaia.

Unique development in a housing tourism regime, consisting of 6 Apartments with the most breathtaking views of the City of Porto and the Douro River, with the Monastery of Serra do Pilar, Jardim do Morro and the D. Luís I Bridge that surround it with this wonderful parsimonious physical and spiritual presence.

The elegant, well-equipped and comfortable apartments make this development a unique place, sought after by tourists and travelers looking for the intimacy of a historic place, a UNESCO World Heritage Site, to stay and enjoy this unique environment that has made this new "small" hotel built in 2018, a pioneer in tourism in Porto.

In addition to the six fully furnished apartments in this building that offer all the comforts that tourists need to feel at "their home", whether with family, friends or for business meetings, there is a reception area with a shop, an outdoor bar in full working order, concierge services, transportation, breakfast, and daily cleaning.

As part of this development, there is also a house, with a lease, with 4 bedrooms on an AL basis, located in the famous Jardim do Morro, next door to the D. Luís I Bridge and a privileged location, being the most sought after for the contemplation of the Sunset along the Douro River and its mouth in the Atlantic Ocean.
