Açıklama:

Land located in the municipality of Sintra, next to Cacém, with excellent road access. It is a land of about 100,000 sqm and, according to the PdM de Sintra, is classified as urban land (for housing and service use) and rustic land. It currently has a decommissioned industrial unit and other support constructions that make up more than 15,600 sqm of construction. These facilities can be recovered and are particularly suitable for the installation of service units, commercial or logistics. Depending on the project in concrete the construction area may be larger than that currently existing. Energy Rating: In progress
