Açıklama:

Refurbished building with 5 large T0 apartments in a privileged location.

Kitchens equipped with modern appliances and bathrooms.

Bright and airy apartments with stunning views. The upper apartment offers a wonderful view of the cruise port.

Excellent access to public transport, close to the Lisbon cruise port and Santa Apolónia train station.

Located in the second oldest neighborhood in Europe, this medieval neighborhood, formerly a Jewish quarter and fishing community, enchants with its breathtaking views of the Tagus. Enjoy the aroma of grilled fish on the corner, the sounds of Fado in traditional restaurants and taste authentic dishes while enjoying the magnificent tile panels. This is the most picturesque neighborhood in Lisbon, the true essence of the city.

Here, life continues as it did centuries ago, but as you descend towards the river, you enter the 21st century, with old warehouses converted into trendy places to eat, drink and dance until dawn.
