Land and Project For Sale in Espiche Golf

REF: 163ESP-G

Nestling within gently undulating parkland designated as an area of outstanding natural beauty, we offer for sale a rural hotel project that will comprise of nine linked two-bedroom townhouses. This is a stand-alone project that will flank the northern edge of Espiche Golf Village, in Varaza Grande and is within an easy shot of the golf course. The townhouses have outline planning approval and will be built within a land parcel of 18 hectares.

A rare opportunity to acquire an Eden on Earth. Set within natural parkland and offering perfect peace, this is an ideal location to create an eco-retreat.

There is extensive scope for an eco-development that would attract a burgeoning market of responsible vacationers looking for an away-from-it-all experience. In addition to the town houses, the extent of the verdant land could allow for glamping or yurt accommodation.

The Future of Tourism. This project has been fastidiously planned to harmonise luxury living and eco-tourism. The design of each townhouse allows the palette of natures beauty to enhance the interior decoration.
