Açıklama:

In full Canilla we find this 30m2 fish market, with a wooden bar and coffee machine, since it used to be a tasting pastry, so it has utensils for this.

It has a toilet and showcase, as well as a metal blind. It would be ideal for an ice cream shop, souvenir shop or any business that requires these meters and this good area.

The facade of the building has been repaired not long ago.

If you are interested, call us and we will show it to you. - REF: Portugalete2 711172
