This exceptional beachfront lot is cleared, comes with a water connection and an electric meter, and is ready for you to build your beachfront dream home! Located in the heart of Playa Potrero, this — 8,022 square foot lot (745,27 SM) is located right on the beach and is walking distance to area restaurants, fruit stands, and shops, and is only an 8-minute walk (along the beach) to the new Flamingo Marina, with its high end retail shops and dining. This is a rare opportunity to capture one of the last remaining lots along this beach and build right away!
