On the second floor, we have four well-designed bedrooms, three of which have a dedicated overlook to the terrace that adds personal space to enjoy the fresh air and panoramic views. On this level we also have a bathroom that provides convenience and comfort for family and guests.

Finally, the attic level reveals an inviting living room with a fireplace. From here, you have access to two panoramic terraces, which extend like frames toward the surrounding landscape, creating an ideal atmosphere for quiet moments or socializing with friends and family.

This residence combines space, comfort and versatility in a quiet setting close to major services.
