In a wonderful position a stone's throw from Rialto and Piazza San Marco, we find this wonderful dwelling with bright and well-kept rooms. Equipped with two independent entrances, this spectacular property opens onto an entrance hall that leads to a living room/kitchen/dining room, as well as useful laundry/storage rooms and the first two bedrooms with en-suite bathrooms. On the first floor we find a large living room and four large double bedrooms all with wardrobes and en-suite bathrooms. On the upper floor we find three other double bedrooms with bathroom and a wonderful exclusive suite with a small terrace and a further private roof terrace. The whole property is masterfully decorated with original materials such as the Venetian terrazzo floors. This property is the ideal compromise for those who look for large spaces and a central location, but also ideal as an investment object.

San Marco is the heart of the city of Venice, the best-known and most prestigious district, from every point you are within walking distance of both Piazza San Marco and the Teatro della Fenice. This area is also very well served by all the Vaporetto lines, and by the gondola ferry, it is also possible to reach any corner of Venice in less than ten minutes.

The property is located a few steps from the beautiful Rialto Bridge, Campo San Bortolo and the Grand Canal. It is also very close to the main means of transport, monuments and services of all kinds, in one of the most Venetian areas of the city.
