5 minutes from a town with shops, 250m2 house with 4 bedrooms and outbuildings (including 10 horse stalls) on 26 hectares of land.

Great potential for this quiet, not overlooked house with superb views over the countryside.
Ideal for a B&B, agricultural or equestrian activity.

Style for this 2008 architect-designed house with spacious rooms and 3m high ceilings. Well laid-out house ideal for entertaining, with a vast living space of over 100m2, including a well-equipped kitchen with solid wood units, a top-of-the-range cooking piano and an island for a convivial kitchen opening onto the dining area and living room. Numerous bay windows give access to the terrace and garden.

A beautiful terrace runs alongside the entire house, providing a convivial space for summer meals and evenings, as well as views over the countryside.

Layout:

- From the kitchen, access to a laundry room, two storerooms, an office, the boiler room and a double garage.
- From the living room, via the vestibule/library, access to the sleeping area comprising three bedrooms, two of which have en-suite shower rooms. All have fitted closets. A family bathroom completes the ensemble.

-From the entrance hall, access to the first floor and the fourth bedroom in the tower, a master suite with dressing room and bathroom, high ceilings and lots of character with the superb exposed timber frame.

Numerous outbuildings on the property, including a workshop, barn, 10-stall stable and cowshed (approx. 1300 m2).

The 26-hectare grounds, most of which are currently rented out, are made up of meadows and woods.
