The epitome of luxurious sophistication, Monkey Manor makes for the idyllic Barbadian retreat. Well-located at the top of the exclusive Palm Ridge, receiving magnificent views of the Caribbean Sea, it features six spacious bathrooms and 8 bathrooms. The property comprises of a main house, a detached two bedroom and two bathroom self-contained guest cottage and a gardeners cottage.

With an immediate elegant ambience the minute you arrive, Monkey Manor features a foyer with 25' ceilings, a six-foot crystal chandelier and custom –designed floating main staircase. Other luxury elements such as a large 1,000 square foot terrace, beautiful marble floors and slicked wall finish augment the sumptuous feel of the property.

The home follows a light and airy open concept layout and is finished in a modern contemporary style. The ground floor follows its captivating appeal with its grand piano, leading through to the well-appointed Miele kitchen and bar. This then effortlessly leads out to an expansive covered outdoor living area perfect for al-fresco dining, and 50ft. swimming pool and spacious deck, all enveloped by lush tropical gardens. On the ground level, two of the four main suites offer convenient access, alongside a dedicated office, entertainment room and staff quarters.

Just a stone's throw from the pool lies the charming cottage, complete with kitchenette, dining areas, two en-suite bedrooms, and its own patio for poolside dining. Nearby, the spa room offers the perfect escape for relaxation, yoga or meditation.
