Building a home requires some thought. Some of the building procedures include ; Obtaining and submitting all relevant project-specific documents (for example, building plans, site maps and certificates of urbanism) to the authorities.

Hiring external third-party supervisors, engineers or inspectors (if necessary).

Obtaining all necessary clearances, licenses, permits and certificates.

Submitting all required notifications.

Requesting and receiving all necessary inspections (unless completed by a hired private, third-party inspector).

Obtaining connections for water and sewerage.
