Located at one of the highest points of Valletta this truly unique 16th century Palazzo is located in one of the capital's best areas. Brimming with potential either as a majestic home office block or boutique hotel. This majestic Palazzo has 20 rooms and measures approximately 1 163 square metres distributed over three floors. Comprises a large basement cellar lots of original features dating from the 16th century including fireplaces stairs beams and windows. The grand entrance hall leads to a central courtyard around which the ground floor rooms are clustered. The traditional staircase leads first to the mezzanine floor and up to the first and second floors. All 20 rooms have lots of natural light as they are either overlooking the internal courtyard or out over the two streets. There is a beautiful roof area terrace with views of the sea Sliema creek and Valletta. Permits in hand to develop one side of the roof.
