Currently, under construction, this new luxury villa will be finished to the highest quality. Located in the quiet village of Tenoca near Boliqueime, 10 mins from Vilamoura.

First impressions cant fail to impress as electric gates allow access to a guest parking area and driveway leading to a substantial front door that opens to give expansive views of the countryside and coast. This Smart Home will be delivered with luxury finishes including a full Domotic operating system, elevator operating between all 3 floors, underfloor heating, central air conditioning system, surround sound, electric shutters, solar panels and a south-facing heated pool.

4 bedrooms with en-suite bathrooms offer optimum comfort whilst 3 additional guest bathrooms add additional practicality throughout the villa. This modern concept property enjoys a south-facing orientation guaranteeing the full benefit of the Algarve sun from dawn until dusk as the spacious lounge looks out across the patio to a heated pool and terrace that drops away to landscaped gardens on the lower level. An important covered area has also been nicely designed for outdoor living and dining.
