La Zenia is an urbanization in Orihuela Costa, in the province of Alicante.

The area is characterized by its popularity, with a large tourist flow for its range of both services and leisure, however one of its main attractions is the promenade along the coast where you can still take leisurely strolls by the sea, without shops or cars.

La Zenia has the highest number and quality of services and facilities in the southern area of the Costa Blanca, there are many visitors who over time have decided to take up permanent residence in this area, but the numbers multiply exponentially each year with the arrival of tourists and visitors thanks to its great popularity.
