The location of the development guarantees its residents the availability of time to live and be close to everything we need in the day-to-day: - a dip in the morning

- a walk through the gardens- a run along the promenade- a taste for local gastronomy- a tour of commercial fun.

Carefully thought out interior desing. It promises a perfect balance between aesthetics and functionality offering good finishes and excellent materials.

The interiors have all been carefully designed for an urban family that needs pleasant and spacious social spaces, comfortable rooms and sanitary facilities with smart storage areas.

The contemporaneity of the building is transmitted in the dialogue with what surrounds it, privilegiing the relationship between the climate and the view, made with the use of numerous spaces of interior exterior connection that the large balconies can provide.

A real LAR inside your apartment. Make an already your visit and check it out! - REF: 8185
