Açıklama:

This 663 m2 plot is located in Valpaços, in a quiet and very well situated residential area, offering easy access to all essential shops and services in the region. With an approved project, the land is ideal for the construction of a two-storey single-family house, allowing a large and functional space for your future home.

The surrounding residential area offers a calm and safe environment, perfect for families looking for quality of life and proximity to the city center. The land is flat, facilitating construction and allowing several options for the distribution of spaces, according to your needs.

With the combination of a privileged location and an approved project, this land is an excellent opportunity for those who want to invest in the construction of a custom villa in Valpaços.
