### ISTRIA, NOVIGRAD - Agricultural land

Novigrad, once a quiet fishing village, has over the years become an attractive destination for tourists from all over Europe and the world, many of whom regularly return. Becoming one of the most desirable places for tourist stays and holidays, Novigrad has preserved its irresistible charm of a quiet fishing town, that recognizable, almost intimate atmosphere, so characteristic of small Mediterranean towns. The Novigrad Riviera on the western coast of Istria stretches from Dajla to the mouth of the Mirna River, and is adorned with an indented, low and accessible coast of rocky and pebble beaches. Agricultural land of 708 m2 is for sale. The land is regular in shape, flat and regularly maintained. The access road is a neat macadam road. The land is located in a quiet location, only 3 km from the city center and the sea. Ideal for agricultural activities.
