## Location

Las Cabrerias is a rural village on the outskirts of Tahiche towards Nazaret and the Villa de Teguisse. Just a short drive away is the main Town of Tahiche where you will find The British school, as well as a local primary school and a college. There is a local doctors surgery, a few shops, and an excellent patisserie. Arrecife is the birthplace of Lanzarotes most famous architect Cesar Manrique, who left his imprint on most of the architectural design of the island. His Volcano house was known as Taro de Tahiche which is now open to the public as the Cesar Manrique Foundation.
