GORSKI KOTAR, LIČ - Building land with conceptual design

Opportunity in Lič! A beautiful building plot for sale in a quiet location. The land is flat, rectangular in shape, at its widest part it is 20 m, while the total length of the land is approximately 80 m. The land has access from the main, recently asphalted road. The communal infrastructure is located next to the land. The preliminary project envisages a house with an auxiliary building - a garage. Complete documentation available on request. The distance from the RI - ZG highway exit is 5 minutes. Attractive area, near Fužine.

Dear clients, the agency commission is charged in accordance with the General Business Conditions:
