SOM Residence 3: Modern living spaces integrated into the city /

The modern facade design and layout of SOM RESIDENCE 3 in harmony with the land and the environment were carefully realized by VOV Architecture Engineering and Project Management. While the user-oriented floor plan provides comfort and functionality, the project, enriched with social areas, was aimed at creating a quality living space. Architecture, licensing and application projects, as well as project management were successfully completed by our team of experts.

We will sell your apartment or house.

There is a choice of apartments and houses in various budgets, including commercial properties.
