In Muline, a quiet and beautiful part of the village of Ugljan, there is a building plot of 984 m2 for sale. It is rectangular in shape, ideal for building a family house with a beautifully landscaped garden. The land is about 400 m away from the sea and a beautifully landscaped beach. Since it is located on a small slope in relation to the sea and faces west, from the first floor of the future building there will be a wonderful view of part of the Zadar archipelago, the islands of Sestrunj, Rivanj and Dugi otok and also a wonderful view of the sunset.
