The space is located on the ground floor of a residential building, surface area 26 m², with parking in front of the building. It consists of a sales area and a toilet, and has its own separate entrance. Thanks to the glazed wall, the space is well lit by natural light, and the PVC joinery ensures a long-lasting and energy-efficient space. With adaptation, the space can become a perfect place for quiet activity or direct contact with customers. Agent's recommendation. For more information, feel free to contact an agent.
