Açıklama:

The 186 sqm property consists of a bright and gorgeous living room, an amazing kitchen with plenty of space- all the necessary appliances and cutlery included, three separate bedrooms with double beds and wardrobes, two separate bathrooms with tubs and showers, a guest lavatory and an excellent outside terrace area with outdoor furniture

The apartment is located in the heart of District 5, close to Astoria and Kalvin ter, just a step away from a lovely park, Károlyi Kert. The area is perfect for those people who prefer to stay in downtown, close to the liveliness of the city, but also need some peace and quiet at home. Only a short walk to the charming Danube and just a step to Károlyi Kert, which is the oldest and most beautiful garden in Budapest. It originally belonged to the Károlyi Palace, but now you can find a nicely furnished playground and calm promenade with fountains and benches.

Excellent transportation opportunities. The M3 metro stops at Ferenciek tere or Kálvin tér. M2 metro is only 2 minutes away at Astoria and M4 metro line also has a stop at Kálvin tér. The Múzeum körút is just a street down, with trams no 47, 49. Trolley bus and regular bus lines have stops within a short walk.
