Great house in the immediate area of Kis-Balaton.

The house was renovated last in 2014 and offers you the living room, a winter garden to enjoy the sun in the spring, bedroom, dining room, kitchen with utility room and the bathroom. Furthermore, there is a separate apartment with a room, shower-toilet and the terrace.

Plot is 2.515 m² and there are two garages and a storage room. There is a cellar under the house.

Electricity, gas and water are available. For drainage there is a connection to the sewerage system. The house is centrally heated on a gas-fired CV while in the bedroom and dining room there is a tiled stove. Connecting the Internet and/or telephone is no problem.

You will find this house in a quiet street of Zalavár. The Kis-Balaton nature reserve is 2 km away. Here it is wonderful to cycle around. The city of Keszthely is 20 km away and there are all the possibilities to shop, but also to visit the cozy centre. The thermal lake of Hévíz is 17 km away.

Excellent house with guest room right next to the Kis Balaton.
