Açıklama:

Nestled between the sea and the mountains, in an old hamlet of the Ligurian countryside, this exclusive relais for sale is just a few km from the most beautiful beaches of the Ligurian riviera. The property features three historical buildings offering a total internal surface area of 1,000 sqm. In its luxuriant 1,500-sqm garden there is a big swimming pool with a hydromassage. Finely restored for hospitality purposes, the relais now houses 14 rooms furnished with great attention to detail and with an enchanting view of the garden. The main villa is an early 19th-century building which currently houses the main common areas on the ground floor, including the reception and a breakfast room, as well as six bedrooms, a reading room, a terrace with a garden and a swimming pool with a jacuzzi on the first floor. The house in the village, reachable by crossing a charming bridge, is located in the old town centre and houses six bedrooms and a beautiful living room on the third floor, with access to a wonderful terrace. The third building is the barn house, undoubtedly the most historical, as it dates back to the late Middle Ages. Today completely renovated and modernized, it offers two intimate and cozy bedrooms with typical vaulted ceilings and small windows.
