Açıklama:

In the heart of Emilia Romagna there is this wonderful charming farmstead for sale measuring 800 sqm and composed of three separate buildings located inside a wide garden. The main body is a 19th-century barn converted into a three-storey home. The ground floor is home to a living area with big windows, while on the first floor there is another living area with a dining room, a living room, and an eat-in kitchen. The sleeping area is composed of the master bedroom, which is en-suite and has two walk-in closets, another bedroom, another big bathroom, and a convenient storage room. The second and last floor features a mezzanine with a relaxation corner and a sleeping area with two bedrooms. The other two buildings are an outbuilding and a silo, which would be perfect as an office. Approximately 3,000 sqm of grounds surround this estate and feature a wonderful swimming pool with a sunbathing area, and a dining area with a barbecue.
