### Açıklama:

Admiring the view of the 'most beautiful street in the world', we cross the threshold of this majestic palace through the property's exclusive entrance: we stand in amazement at the monumental private hallway with ceilings more than 6 metres high and the two stone staircases. Before we go up the stairs, we notice two large windowed storage rooms on the left, while the light from the French window at the back attracts our attention." data-next-head=""/>
