Total area: 643 hectares

Vegetation: The land is rich in native forests of lenga, Ñire and coigue trees, which are prized for their excellent timber quality. These tree species are typical of the Patagonia region and provide both ecological and economic benefits.

Terrain and surroundings: The varied landscape of plains, hills and forests offers numerous possibilities for use and development.

This exclusive property in the Aysén region offers a unique opportunity for investors, nature lovers and entrepreneurs. With its impressive size, high-quality vegetation and strategic location, it is an ideal base for sustainable projects in livestock farming, tourism or nature conservation. Take advantage of this opportunity to secure a piece of Patagonia's paradise!
