This is the closest village to the beach, where there is everything you need for a comfortable permanent residence-the roads are asphalt, there is a central sewerage and water supply. There is a year-round bus connection between the village and the neighboring resorts.

Thanks to its location, Kosharitsa has become a popular tourist destination, especially for those who prefer silence, coziness and distance from the resort Bustle. Besides shops, there is a church and a school in the village. Several holiday villages and private villas are located along the coast in the direction of Sunny Beach.
