The apartment has two floors, on the first floor there is a living room with a kitchen, a toilet and a terrace, the second floor consists of two bedrooms, a corridor, a large terrace with a partial sea view and a bathroom with a toilet. The apartment is sold fully finished: laminate flooring, fully finished bathroom and toilet, latex walls, railings will be installed on the terrace. The property is located on the 3rd floor in a building without an elevator.

Ravda is a very attractive place to visit not only for tourists, but also for those who want to live by the sea all year round. It is located between Nessebar and Aheloy, which makes its location incredibly

convenient. There is a private school, a kindergarten, many restaurants, shops, an amusement park, and even the famous Lidl store. But, unlike Sunny Beach, this resort is distinguished by a more calm and measured life, which makes it incredibly attractive for families with children. There are regular buses from Ravda to Burgas and Sunny Beach, which means you can travel along the coast at your own discretion even if you don't have a car. It's only 25-30 kilometers from Ravda to Burgas and the airport.
