This beautiful, newly renovated and open plan family home has a living area of 91m2 which is distributed over 2 floors. The spacious entrance area has a wardrobe and a large closet with plenty of storage space. On the ground floor is the new fitted kitchen and the cozy living room, from which you can directly access your own terrace. The adjacent pond and the beautiful garden are definitely a highlight - here you have your own green oasis of peace to feel good and relax. The new shower room is equipped with everything and perfect for a quick morning routine. Up the stairs to the 1st floor, where you enter the bedroom via the open and fantastically designed gallery. The sloping ceilings and wooden beams make the large bedroom particularly cozy. Next to the comfortable double bed made of real wood there is a home office corner with a desk and a chest of drawers. The entire house is equipped with underfloor heating and is due to the open construction and design bright and flooded with light.
