The 49m² apartment is equipped with two comfortable 90cm box-spring beds, which can also be pushed together to form a 1.80m double bed. There is also a comfortable sofa bed in the living room. You will also find a 4K smart TV & fast WiFi. You can park for free and check in yourself at any time. This modern apartment is characterized above all by its quiet location. The combination of wood and metal materials is reminiscent of an industrial style - the modern furnishings create a balance of cosiness and functionality. Whether you want to relax after a hard day's work or after a long sightseeing trip through Kassel - this is the place for you. The living room is the heart of the apartment - you can feel right at home on the cozy sofa! Enjoy your favorite movie/series on the 4K smart TV or relax while surfing the high-speed WiFi. If necessary, the sofa can be converted into a comfortable bed, creating a sleeping area of approx. 1.35m x 1.95m for an additional person. The bright kitchen is fully equipped with everything you need to prepare your own meals. Sufficient quantities of coffee and tea are available free of charge. The kitchen is equipped with plenty of crockery, pots, pans and other cooking utensils. Enjoy your meal at the dining table, which offers enough space for up to 4 people. The bedroom has two cozy 0.90m x 2.00m box-spring beds ready for you, which can easily be pushed together to form a large 1.80m x 2.00m double bed. This means that up to two people can relax together or in separate beds. Sufficient cozy blankets and pillows are provided for you. As there is a door, someone can withdraw here and enjoy privacy. The daylight bathroom not only has a shower, but also fresh towels and a powerful hairdryer.
