### Açıklama:

Here high-tech meets luxury! Over 220sqm garden + 125sqm living space distributed over 4 rooms inspire old and young! The custom-built fitted kitchen (made by the renowned carpentry company) by a well-known interior designer offers the latest Miele appliances for a unique cooking experience. The luxury spa bathrooms feature Steinberg fixtures, floor-to-ceiling showers and real wood vanities. Designer furniture and accessories leave nothing to be desired. Convenience is enhanced by an elevator and underground parking with 2x e-charging spaces. A cellar and a separate laundry room are available. The rental period should be at least 3 months. The warm rent of 3300 Euro includes a flat rate for utilities including heating and hot water and internet, if applicable. Not included are the electricity costs of the apartment and the two parking spaces with charging possibility, which are billed separately according to consumption (as the apartment also has 2 parking spaces with e-charging columns).
